

The Sound

“There is an awesome sound of heaven today that is invading the earth”. Jane Hansen Hoyt

Ray Hughes, one of the speakers at the Aglow USA conference in San Jose had something very exciting to say about sound, **“God created every one of us to not only hear, but to be a sound. We are going to become a part of the expression of His voice on the earth.”**

From Kathy DeGagné in Jerusalem we hear... “One of the things I’m most conscious of in my daily life here in Jerusalem is the SOUND of the city. Sometimes it’s a symphony....sometimes, a cacophony, and just about always, LOUD!”

A BUSKER ON THE STREETS OF OLD JERUSALEM

It is exciting to hear from Kathy in Jerusalem. Kathy has been part of leadership in Aglow in Canada for some time but now she is living in Jerusalem and working at the International Headquarters of Bridges of Peace, working as a graphic designer with the publications team. In a recent letter from her she shares, “God is moving in Israel today, fulfilling more Bible prophecy in these last one hundred years than at any other time in history, other than the first coming of Yeshua. God has called Bridges for Peace to be participants with Him in these exciting times, showing Christian love to the Jewish people through practical help, and helping Christians understand the Hebraic roots of Christianity. It is a joy and a privilege to serve God in the land He calls His treasured possession. For more information about Bridges for Peace follow this link, www.bridgesforpeace.com

Tips for Terrific Teams

COMMITMENT – Great teams know that it is important to be sure that everyone’s thoughts have been heard and genuinely considered. Then, they move forward with their decisions with complete buy-in from every member of the team. No one should ever secretly harbour doubts about whether they can support the decisions that have been made. “It is better to make a decision boldly and be wrong - then change directions with equal boldness - than it is to waffle.” Lack of commitment breeds lack of confidence and fear of failure but teams that are committed can align the entire team around common objectives. It is all about unity!

Psalm 133:1-3

¹ How good and pleasant it is when God’s people live together in unity! ... ^{3b} For there the LORD bestows his blessing, even life forevermore.
